

# Directions to Mulgrave Country Cottage

## From Lythe and Teesside

As you leave Lythe on the A174, you will come down a long steep hill. Near the bottom, you will pass a small road on your right. Take the second small road on your right, then follow the small private road right to the end.

## From Whitby

Follow the road through Sandsend, you will cross a small narrow bridge - continue through the village along the sea-front until you come to another small bridge. Cross the bridge (ignoring the turning before) and as you start to ascend the hill, take the first turning on your left signed 'High Row'. Follow this small road to the end to Mulgrave Country Cottage.

If you get stuck, call Jason Booth +44 (0)1947 893680
